Air Schedules

Always check with your travel agent before purchasing tickets from another source. Transfers are not included for passengers who book "Tour Only" through Image Tours. "Tour Only" passengers should expect to make their own way between the airports and the hotels at their own expense, but are welcome to join the complimentary group transfer if the passenger's actual flight time coincides with the group transfer time. Book early arrivals and afternoon return departures for the best chance to join the group transfers. Please read "Are Airport Transfers Included?" on page 64 of the 2017 brochure. Image Tours does not recommend issuing air tickets until 75 days prior to departure. Image Tours shall not be held liable for any penalties incurred from the cancellation or change of an air ticket purchased through another source, regardless of the reason.

Tour & Air Inclusive prices are based on using the most economical IATAN member airline and schedule, in Economy Class. Air schedules will be provided after the Tour & Air Inclusive reservation is paid in full and tickets are issued. Air schedules are subject to change at any time, and passengers who cancel due to changes in airline or schedule will be subject to the Image Tours "Cancellations" policy.

Airline baggage fees (usually \$25 per person in each direction for one suitcase under 50 lbs and 62 linear inches) are not included and must be paid directly to the airline. Frequent Flyer miles and luggage transfer service between flights may not be available. Pre-assigned seating may not be available or may require an additional fee, payable directly to the airline.

Some flight schedules require a transfer between La Guardia (LGA) Airport and New York JFK Airport at a cost of approximately \$15 per person in each direction to be paid at the airport by the tour participant. On the rare occasion that an air schedule should require an overnight hotel stay in the USA or an independent transfer in Europe, the cost will be approximately \$75 per person on a share basis or \$150 single, at the tour participant's expense.

Hazardous Materials Notice: Federal law forbids the carriage of hazardous materials aboard an aircraft in your luggage or on your person. A violation can result in five years' imprisonment and penalties of \$250,000 or more (49 U.S.C. 5124). Hazardous materials include explosives, compressed gases, flammable liquids and solids, oxidizers, poisons, corrosives, and radioactive materials. Examples: paints, lighter fluid, fireworks, tear gases, oxygen bottles, and radio-pharmaceuticals. There are special exceptions for small quantities (up to 70 ounces total) of medicinal and toilet articles carried in your luggage and certain smoking materials carried on your person. For further information review the information found at TSA's prohibited items webpage at www.tsa.gov.
