The prices on the reverse page include air fare and are per person, in US Dollars, based on double occupancy. **All discounts are already reflected in the prices.** Air taxes and fees are additional and subject to change. Discounts are in comparison to our regular (non-discounted) 'tour and land inclusive' prices listed in our 2010 'Dates & Prices Guide'.

For these 'tour and air' inclusive prices Image Tours uses Singapore Airlines (Airline Code SQ) for the international flight between New York JFK Airport and Frankfurt Airport. United, USAir, or Continental are used for the domestic flights. Air schedules and departure cities are subject to change at any time without prior notice. On the rare occasion that an air schedule should require an airport hotel stay, the cost will be \$120 per room, per night, at the tour participant's additional expense. Frequent Flyer miles and pre-assigned seats are not available with this Special.

Some flight schedules require a shuttle bus transfer between Newark (EWR) or La Guardia (LGA) Airport and New York JFK Airport. This transfer is not included in the price and the average cost is \$30 per person in each direction.

### A TIP FOR THE MOST DIRECT AIR SCHEDULES FROM YOUR CLOSEST DEPARTURE CITY:

You might also check the cost of purchasing a separate, domestic, round-trip air ticket from your closest airport to New York JFK (or use frequent flier miles if you have enough for a domestic ticket). Combined with our 'Tour and Air' inclusive price from New York JFK, you may find that you are able to confirm a more direct air schedule or you may be able to fly out of a more convenient departure city without any increase in price. Please note that Image Tours does not recommend purchasing air tickets through another source until within 60 days prior to departure so always have your travel agent check with Image Tours before you purchase a separate air ticket.

This '*SQ SPECIAL*' is available for a limited time and is subject to availability. Book NOW to secure your space. For the most current information, ask your travel agent or visit our website at [www.ImageTours.com](http://www.ImageTours.com).
