*Houston, TX departures may be from either Intercontinental Airport or Hobby Airport.

The prices in this *EUROPE SPECIAL* insert are based on using Singapore Airlines (Airline Code SQ) for the international flight between New York JFK Airport and Frankfurt Airport, while using the most economical air carrier for the domestic flights; or the most economical IATAN member carrier and air schedules in economy class. Air schedules will be provided after the tour and air inclusive reservation is paid in full and tickets are issued.

Some flight schedules require a transfer between La Guardia (LGA) Airport and New York JFK Airport and some flights may require a hotel overnight. If your schedule has long connection times, you may wish to book a day room. In these cases, the cost will be approximately \$15 per person in each direction for transfers or \$120 per room, at the tour participant's expense. When booked under the *EUROPE SPECIAL*, Frequent Flyer miles, luggage transfer service in New York, and pre-assigned seats may not be available.

Air schedules are subject to change at any time, and cancellations due to changes in the airline or changes in the flight schedule will be subject to the cancellation conditions as outlined in the applicable Image Tours brochure.

A TIP FOR THE MOST DIRECT AIR SCHEDULES FROM YOUR CLOSEST DEPARTURE CITY

You might check the cost of purchasing a separate, domestic, round-trip air ticket from your closest airport to New York JFK (or use frequent flyer miles if you have enough for a domestic ticket). Combined with our 'tour & air' inclusive price from New York JFK, you may find that you are able to confirm a more direct air schedule or you may be able to fly out of a more convenient departure city. Please note that Image Tours does not recommend purchasing air tickets through another source until within 60 days prior to departure so always have your travel agent check with Image Tours before you purchase a separate air ticket.
