

Image Tours Photo & Video Contest

Each year we like to show new photos in our brochure and other promotions, and what better way to capture true experiences than with photos from our tour participants! You may enter as many photos as you like. Photos should be sharp with good contrast. Keep in mind that photos with people tend to be more lively and interesting. **You do not have to wait until you get home! You are welcome to email us your favorite photo & short video clips while you are on the tour.**

Winning Photos:

Judging takes place each fall, where after winners will be notified. If your pictures do not reach us in time for the current year's judging, they will automatically be entered for the following year's contest. By submitting your photos, you are authorizing Image Tours to use your photos, name and comments in our brochure, website and other promotions. Travel certificates, good toward any tour that appears in the Image Tours brochure, will be awarded to the winners. Even if you are not a 1st, 2nd, or 3rd prize winner we will send you a \$25 Travel Certificate if we use any of your photos for promotional materials.

Mailing Instructions:

E-mail electronic photos to photocontest@ImageTours.com. Please include your name, address, photo subject or location, and a suggested caption if you like. High resolution photos (i.e. file size of 1 megabyte or more) have a greater possibility of being used. Photo prints or disks can be mailed to: Image Tours Photo Contest, 2828 Kraft Ave. SE, Grand Rapids, MI 49512. Photos/disks will not be returned. If you are providing this information on the back of a printed photo, please use an address label as pens/markers may smear or damage photos.

Share Your Special Experience:

We are also interested in stories or anecdotes about your tour. If we use any of your stories in any of our promotions, we will send you a \$25 Travel Certificate. E-mail your stories to photocontest@ImageTours.com. Feel free to send along photos illustrating your experience.

Video Clips:

You may also email us video clips to photocontest@ImageTours.com, however videos with a file size more than 10 mg. or so may be too large for our email system. Instead, we recommend using a file transfer site such as WeTransfer.com. Another option is to mail us a disk. If you post any video clips from your tour on the internet, email us the link and we will consider sharing it on our Facebook page. If we use any video, we will send you a \$50 Travel Certificate.
